

OBJECTIVES

Seeking to get an opportunity where I can make the best of my potential, learn new skills, expand my knowledge, leverage my learnings, contribute my ideas to the growth of organization and get mentored towards a successful career.

TECHNICAL SKILL

- **Front End**
 - Html, Css and Bootstrap
 - JavaScript , React
- **Back End**
 - Java , Spring Boot
- **DataBase**
 - SQL

AREA OF INTEREST

- Back-End Developer

EDUCATION

Meenakshi College of Engineering

Master Of Computer Applications
CGPA - 8 (2022-2024)

Sindhi College of Arts and Science

Bachelor Of Computer Science
CGPA - 8 (2019-2022)

Grace Matriculation Higher Secondary School

HSC - 53% (2019)

ST. Thomas Vidyalayam Matriculation School

SSLC - 79% (2017)

COURSES & CERTIFICATIONS

- **BackEnd**
 - Java
 - Spring Boot
 - SQL

Besant Technology
2024/08 - Present

PROJECT

- **Project Name**
 - Shopping Management System.
- **Technology Used**
 - Java, OOPS Concept, Stream API and Collection Framework.
- **Description**
 - The Shopping Management System is a console-based Java application for managing customer purchases, inventory, and administrative tasks in retail. It offers a seamless interface for purchases, order tracking, and returns, with secure admin access for stock updates.
 - Leveraging core Java features like OOP, collections, and time management, it ensures efficient operations and is ideal for small-scale retail management.

SOFT SKILL

- Adaptability
- Innovative
- Teamwork
- Problem Solving
- Time Management

DECLARATION

I here by declare that all the above information are true and correct to the best of my knowledge. If given me a chance, I assure that I will discharge my duties, skills and knowledge to the entire satisfaction of my superiors.
